# Food Recommendations List for Cats

Rev A.7

Here is the list of cat foods. The highlighted foods can be found at an independent pet store that sells raw pet food.

We prefer foods that have not been high pressure pasteurized (HPP), but we have included brands that do HPP. They are reputable companies with quality food that don't have any synthetic vitamins or minerals in their food. I have made notes below on those brands.

| | |
|---|---|
| All Provide | They offer raw frozen and gently cooked |
| Anderson's Natural | Order Online |
| BJ's Raw Pet Food | Order Online |
| Evermore | Gently cooked |
| Feed This Inc | Order online |
| Green Juju | This food is high pressure pasteurized at low temp but is a good company and doesn't use synthetics vitamins or minerals in their food. Freeze Dried |
| Hare Today | Online Raw |
| IdaHound | Raw frozen |
| Identity Pet Food | Gently cooked |
| My Paleo Pet | Buy local (Pompano Beach) or order online |
| Oma's Pride | Bacteriophage, (not the complete which has synthetic vitamins/minerals) |
| Raw Dog Food & Company | Order online. They have blends, meat, organs, etc. This company has recently added some HPP foods and a line of complete that contains synthetic vitamins and minerals and we don't recommend high pressure pasteurized foods nor do we recommend synthetic vitamins and minerals. If you purchase from them, buy the foods that are not HPP and do not have synthetics. |
| Raw Dynamic | They offer raw frozen , freeze dried, and gently cooked. They high Pressure Pasteurize their poultry and we don't recommend HPP food. |
| Raw Feeding Miami | Order online |
| Raw Paws Pet Food | Order online. Also local to Indianapolis |
| Simple Food Project | Freeze Dried |
| Smack Pet Food | Freeze Dried/Dehydrated |
| Small Batch | They offer raw frozen, gently cooked. Avoid the Rabbit & Lamb, as they have too much veggie. They also High Pressure Pasteurize their freeze dried food and we don't recommend HPP food. |
| Solutions Pet | Raw frozen, fermented |
