Food Recommendations List for Dogs

Rev A.7

Here is the list of dog foods. The highlighted foods can be found at independent pet stores that sell raw pet food.

We prefer foods that have not been high pressure pasteurized (HPP), but we have included brands that do HPP. They are reputable companies with quality food that don't have any synthetic vitamins or minerals in their food. I have made notes below on those brands.

Big Dog Natural	Dehydrated and fermented
BJ's Raw Pet Food	Order Online
